Bob	15	water polo	London	social justice club
Joe	19	skating	NYC	fight poverty club

**HAS ANYONE HEARD
OF
INTERSECTIONALITY?**

THE URGENCY OF INTERSECTIONALITY

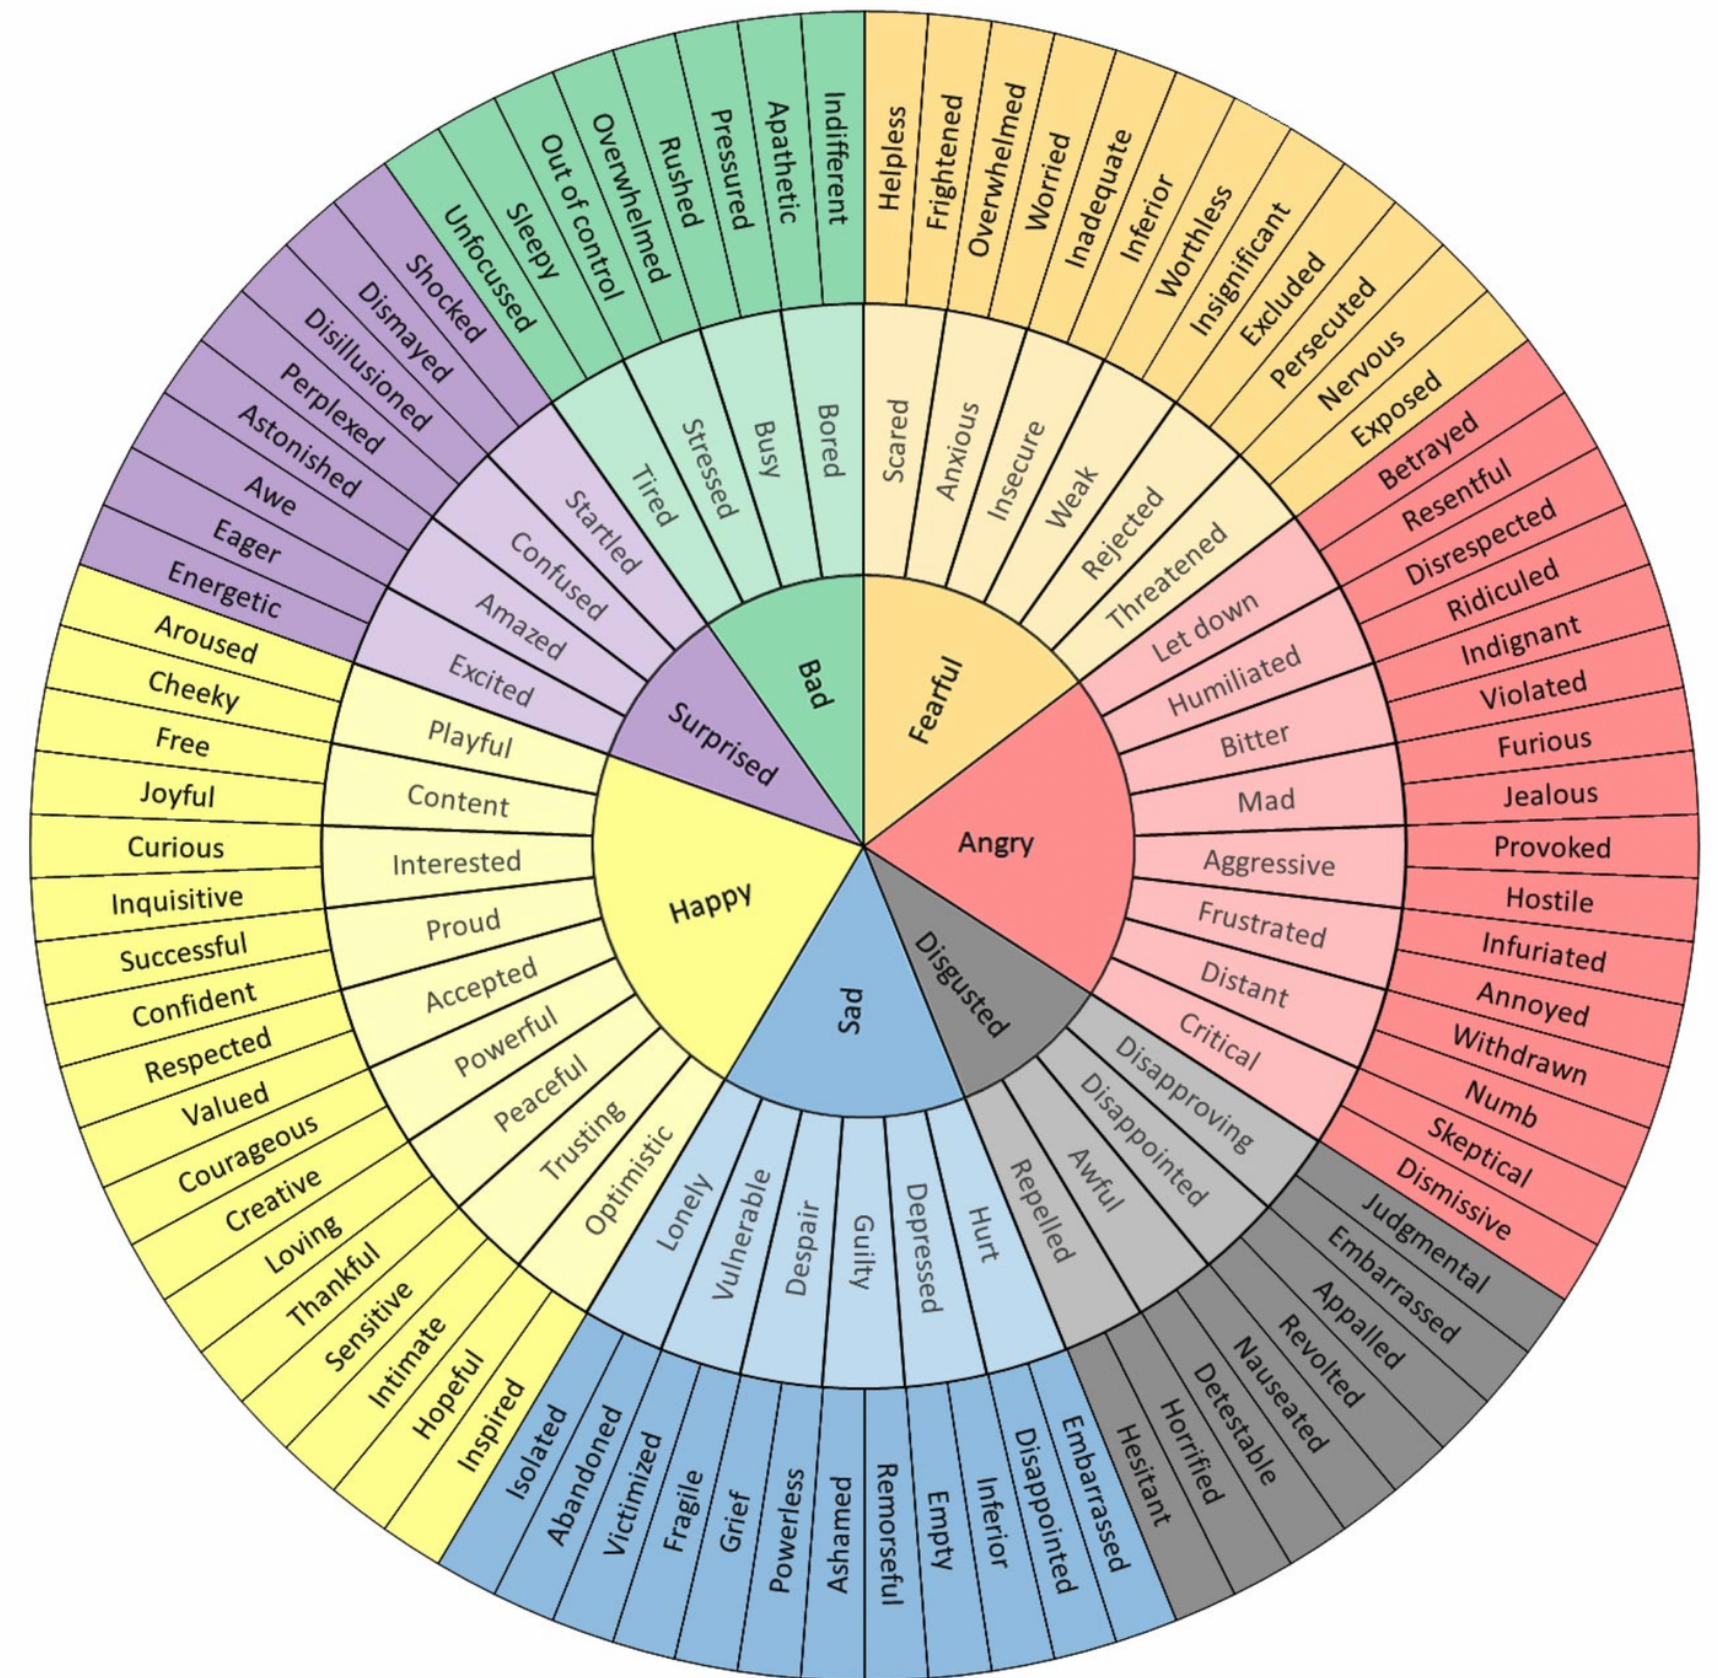

1. What were some ways that Kimberly Crenshaw encouraged us to solve this problem?
2. How did she define intersectionality?
3. Why does she say intersectionality is important, especially now?
4. Why are issues often intersectional?
5. How will you apply the idea of intersectionality to topics going forward?

Intersectionality is recognizing that one's life is often shaped by different aspects of their identity, such as their race, class, gender, etc. "Employing an Intersectional Framework acknowledges that there are social systems in place that create barriers and challenges for some individuals, while simultaneously providing privilege and power for others. While the idea originated from the scholarship of Black women, an intersectional lens is an important tool in advancing social justice for all groups in today's society" (Intersectionality in Tech 101).

FEELINGS WHEEL

- What did she say that made you feel optimistic?

Intersecting Forms of Oppression

What are the
interlocking
systems of
oppression
that you deal
with on a daily
basis?

PYRAMID OF WHITE SUPREMACY

Pyramid of White Supremacy

Adapted by the National Equity Project from Ellen Tuzzolo & Safehouse Progressive Alliance for Nonviolence

Link for the explanation of
pyramid of White supremacy:
<https://bit.ly/3yZ2t5r>

In a pyramid, every brick depends on the ones below it for support.
If the bricks at the bottom are removed, the whole structure comes tumbling down.

How to understand power - Eric Liu
